Dear Church Family –

In compliance with Kansas City's mandate, as of today, anyone attending a function at Beth Haven Church must wear a face covering. The order is currently effective through July 12.

There are some exceptions to the mandate:

- Minors, with strong guidance from the Centers for Disease Control and Prevention and the Kansas City Health Department that children over age 2 wear face coverings.
- People who have disabilities that:
  - Prevent them from comfortably wearing or taking off face coverings.
  - Prevent them from communicating while wearing face coverings.
- People who have respiratory conditions or breathing trouble.
- People who have been told by a medical, legal, or behavioral health professional not to wear face coverings.

If you feel it's more prudent to remain at home or if you choose to not wear a face covering, please know that we support your decision. We do not want to pressure anyone to attend. All classes will continue to be live video streamed on Facebook and then uploaded to YouTube shortly thereafter.

Please keep the following information in mind:

- If you or anyone in your family is sick or has any of the symptoms of COVID-19 or any illness, please stay home and watch online.
- Hand sanitizer will be available in the front foyer and at the back of the auditorium.
- No coffee or snacks will be served, though you're allowed to bring your own.
- Social distancing will still be practiced. Hugs and handshakes are discouraged as is sitting closer than six feet to others outside of your immediate family.

Sunday School and Nursery will be back to normal.

God bless,

Beth Haven Church Elders,  
Will Buttermore, Burt Eustace, Brad Lowe, Dan Roney
